

Year 3

Homework Challenges

Summer 1

Maths Game

Play some board games e.g. snakes and ladders

Design and make a number track game.

Remember to include what you need and the rules.
Perhaps your game could include money!

Science/Art

Produce a collage showing the parts of a plant.
You could find out about and include all the parts of the flower.

Try to use as many different materials as you can.

A Roman Feast

Find out about the foods that Romans ate.

Plan a menu for a Roman feast.

Wild Passport

Identify 3 different types of tree

Go for a walk and try to find 3 different types of tree. [Tree ID for Kids - Nature Detectives - Woodland Trust](#)

Make a tree ID card for each one - include the leaf shape, what the bark looks and feels like and whether you can see any seeds. You could draw pictures or take photos too.

Art

[What is a Mosaic? Early Roman Mosaics for Kids](#)

Make a mosaic tile (21cm x 21cm). Bring it into school for our Romans display. You could use items from the kitchen cupboard eg rice, lentils, pasta or use cut coloured squares of paper.

[KS2: Making a Roman Mosaic](#)

STEM

Find out about things that the Romans invented.
You could even have a go at making a model aqueduct.
[Build an Aqueduct | Crafts for Kids | PBS KIDS for Parents](#)
