

**Year 1 Curriculum
Information
Spring Term B**

**Your World
My world**

Computing- Coding

The children will be introduced to on screen programming through ScratchJr. They will explore the way a project looks by investigating sprites and backgrounds. They will use programming blocks to use, modify and create programs. The children are also introduced to the early stages of program design through the introduction of algorithms.

Science- STEM

We are going to revisit looking at the properties of materials to see which is best suited to make a boat for Max.

Art- 3D

After we experiment with clay and create some other 3D models, we will be making 3D models of our own Where the Wild Thing creature.

**PSHE- Living in the Wider
World**

With Mrs Heffernann the children will be learning about How can we look after each other and the world?

Music- Round and Round

We are going to look at Pulse, rhythm and pitch in different styles of music. We will listen to and appraise a variety of songs from Livin' La Vida Loca by Ricky Martin to March Of The Empire by John Williams.

**RE- Who is Jewish and how do
they live?**

With Mrs Heffernann we will continue to learn about the Jewish faith and compare how Jewish people live to Christians.

PE-

Outdoor PE- Monday

Cricket- we are very lucky this half term to be receiving some coaching from a Cricket Coach.

Outdoor PE- Thursday

With the help of NUFC we will be learning

Geography

This half term we are learning about the 7 continents and 5 oceans of the world. We will then focus in on looking at the United Kingdom and the 4 counties that make it up alongside the seas that surround us.
