

Year 1

Homework Challenges

Term 3a

The Tyne Valley

Past and Present

Maths

You should be playing Numbots for 20 minutes over the week!

That's only 5 minutes for 4 nights OR 10 minutes for 2 nights OR 20 minutes in 1 go!

English

Don't forget to write time EVERY time you read at home. I'd like you to read 3 or more times a week with an adult! This includes your Little Wandle Reading book or a book you might have at home.

History

We are going to be learning about our local area in the Victorian Era and comparing it to our local area today. Find out about Queen Victoria and write a fact file about her like you did with Florence Nightingale and Mary Seacole.

Computing

We are learning about creating Digital writing. You can use Busy Things to help you get used to the different keys on a keyboard with these games. In the computing-computing literacy section.

Tree keys
Learn the letters on the computer keyboard

GAME

Bird words
Type words using the computer keyboard.

GAME

Science- Plants including trees

Have a visit to Newburn Memorial Park and find five deciduous tree names and five evergreen tree names. It's a lovely place to visit, play and walk along a different part of the river. You might even be lucky and find the ice cream van or the café might be open! If it's a weekend look out for Miss Dodds walking Ruby and Lily.

Art

As we are going to be creating a mixed media self-portrait in class- why don't you create a portrait for a friend from our class? You could draw it or collage it.

Don't forget if it's a lovely sunny day- get outside and enjoy the fresh air with family and friends.

Geography

Draw a map of your journey to school. Include any 'old' buildings you might see on the way.
